#### SOME FORMS OF RHEUMATISM CURABLE

Rheumatism is a disease characterized by pains in the joints and in the muscles. The most common forms are: Acute and Chronic Rheumatism, Rheumatic Headaches, Sciatica Rheumatism and Lumbago. All of these types can be helped absolutely by applying some good liniment that penetrates. An application of Sloan's Liniment two or three times a day to the affected part will give instant relief. Sloan's Liniment is good for pain, and especially Rheumatic Pain, because it penetrates to the seat of the trouble, soothes the afflicted part and draws the pain. Sloan's Liniment is all medicine. #### BRODHEAD.

Atty. J. W. Brown, and Mr. S. H. Martin, executors of the will of R. S. Martin, deceased, attended the Martin sale here last Saturday. Only personal property was sold, and the family were the chief buyers. The Tobacco Factory was bought by J. Douglas Martin, who had been associated with his father for a number of years, and will continue the business. He went to Danville Saturday, filled bond and the business has been turned over to him. The farm machinery, such as plows, harrows, hay rake, mowing machine, binder, wheat drill, wagons etc. were bought by Virgil and Urwin Martin with few exceptions. Mrs. Martin bought such live stock as was offered for sale, thirty barrels corn and the household effects. Born to the wife John R. Saturday a girl. Master Karl Davis and Bill McFerron of Mt. Vernon, were guests of Mrs. Walter Robbins here Saturday. A son was born to the home of Mr. and Mrs. John Moore Monday. Mrs. Cora Wesley Bell and children, of Liberty, Ky., are the guests of the Misses Cable and Mrs. J. B. Pike this week. Frank Ward was here from Junction City Saturday and Sunday. Mr. and Mrs. John Crawford are rejoicing over the arrival of a baby girl on Thursday of last week. The Rev. Haines filled his regular appointment at the Methodist church Sunday morning and evening. A son and daughter were born to the home of Mr. and Mrs. Dave Brock Tuesday of last week, and a daughter to the home of Mr. and Mrs. Earl Shafer last Sunday. Mr. and Mrs. Brack Durham, of Sparks Quarry, were visiting her parents, Mr. and Mrs. D. B. Albright, during the week. Miss Gertrude Cundiff, of Liberty, is the guest of the Misses Cable this

week. The population of Brodhead is rapidly increasing, Mr. and Mrs. Chas. Riddle are the proud parents of a fine baby boy, who arrived Tuesday morning. Misses Bernice Landrum and Clyde Watson, and Fred L. Durham, of Mt. Vernon, attended the closing exercises of Brodhead Graded High School Tuesday evening. Roy Sowder, after spending a few days with home folks, attending the commencement exercises, returned to Danville, where he has a good position. The Graded High School at this place closed last Friday. The commencement exercises, however, did not begin until Saturday evening, when a first class program was presented by the pupils of the eighth grade. A play, entitled Masonic Ring or Adventures of a College Bride, was rendered and enjoyed very much by the large audience, the drills, songs, recitations and piano solos were all fine. On Monday evening a three hours program was rendered by the little folks, including the first, second, third and fourth grades, and every number was so successfully presented that it was a hard matter to decide which was best, the drills by the little tots, as well as those by the third to fifth grade pupils, were seemingly perfect. A play, Cinderella, was presented by the little tots to the great enjoyment of every one present. "Rough Diamond" was presented by the sixth, seventh and eighth grade pupils, which was one of the very best numbers on the program. The Principal and teachers are to be congratulated for their untiring efforts and the success attained during the entire school, and especially for the perfect manner in which the pupils acquitted themselves during the closing exercises showing conclusively that those who applied themselves as they should, has been gratiously re-

warded. On Tuesday evening the Commencement address was delivered by Prof. Roscoe Gilmore Scott, of the Eastern Kentucky State Normal, of Richmond, Ky., and it would have been a difficult matter to have found a better man for the occasion. His lecture was along practical lines, full of life and enthusiasm, that kind of enthusiasm that makes every fellow want to live life over. The Class were Everett C. Watson, Pres., Edward W. Brooks, Sec'y., Jas. B. Frith, Wallace J. Haggard, Miss Anna L. Cass, Miss Reba J. Brooks, Miss Ada M. Ward and Sae F. Cable. Miss Anna L. Cass delivered an oration, subject, "A Personal Equation," followed by Wallace J. Haggard, subject, "Air Castles", both being excellent, and showed great care and study in preparation. Prof. J. L. Pilkenton then presented certificates of promotion to a large class, making a fine lecture to the class, showing them that the certificates were not evidences of a complete education, but should be an incentive to those receiving them to never be content until they reach the topmost round of the educational ladder, and urging the pupils of all grades to make it a point to attend school here or elsewhere next year, and asking the cooperation of the parents, and assuring them that with their full cooperation that Brodhead would have a school second to none. The attendance during the entire exercises were very large, being estimated at from 400 to 500. Edd Brooks left Wednesday morning for Lebanon Junction, where he has a position with the L. & N. under his cousin, Henry Brooks. That looks good to us, see a young man in the commencement exercises at 10:30 o'clock on Tuesday night, after attending school for nine months, then leave at 4 o'clock next morning to spend his

vacation at hard labor. Edd received his certificate of promotion Tuesday night at school, and we predict that he will soon get a promotion at the hands of the L. & N. We hope to see other young men follow his example. Brodhead seems to have a crack baseball team now. They defeated Sparks Quarry team here last Friday by a score of 11 to 4. The visitors refused to cross bats with the local team unless they agreed to not allow Cecil Hayes to enter the pitchers box. That obstacle being removed, Orrin Wallin entered the box and proved to be entirely too much for the visitors. On Tuesday afternoon a team composed of two men of the East Bernstadt team, two from Livingston and five from Sparks Quarry met the local boys here, and a double header was pulled off, resulting in a score of 14 to 2, and 9 to 1 in favor of Brodhead. Hayes pitched the first game, Wallin the second. Frank Brooks, the clever groceryman from Crab Orchard, was in town during the week. Cashier and Mrs. A. M. Hlatt were with his father and family at Quail Sunday afternoon. Miss Tempest Ward was here from Livingston on account of the commencement exercises.

#### CHAMBERLAIN'S LINIMENT

This preparation is intended especially for rheumatism, lame back sprains and like ailments. It is a favorite with people who are well acquainted with its splendid qualities. Mrs. Chas. Tanner, Wabash Ind., says of it, "I have found Chamberlain's Liniment the best thing for lame back and sprains I have ever used. It works like a charm and relieves pain and soreness. It has been used by others of my family as well as myself for upwards of twenty years." 25 and 50 cent bottles. For sale by all dealers.

## BAKER'S EXTRA SPECIAL VALUES ALL NEXT WEEK

OUR business is built on the foundation of values—save the customer money—give him better service—go on and upward—slowly but surely,

No swell-headed clerks in my store. When I find a clerk is out-growing his derby hat, I put another clerk under the derby. I don't attempt to tell people what they must buy in my store, what price they must pay, or what quality they must pick. My Motto—and the motto of my Clerks is—"See that the people get what they want," and if you are not satisfied, return the goods and you are not out a cent.

Life is not very long, at best, and I'd close my store tomorrow if I couldn't make every sale, that occurs here, a pleasant and agreeable one.

25 years experience has taught me that you can't run a successful business on "Wind and hot air"—it takes big stocks of every line of Merchandise that people use. Big values and a square deal. This is just what we do our best to give you each day of our lives.

I will thank you to call.

JUDGE R. G. WILLIAMS, of Cov-  
ington, is a candidate to succeed  
himself as Commonwealth At-  
torney for the great County of  
Kenton. It was a fortunate day  
for the citizens there when he de-  
cided many years ago to join the  
ranks of the people in the second  
city of this Commonwealth. But  
his going was a great loss to this  
County in which he was born and  
reared, for in this community he  
stood for all those things that are  
good and ennobling. Although he  
has been away a long time, he  
could return and be elected to  
any office he might desire, for our  
people, irrespective of political  
affiliation, respect, admire and  
trust him. Clean in public and  
private life; devoted to his duties  
and rendering conscientious ser-  
vice at all times, our people read-  
ily gave to him their hearty sup-  
port. For his uprightness as a  
citizen and his faithful service as  
an official, the people of Kenton  
County will see to it that he is re-  
nominated in the August primary  
and overwhelmingly re-elected  
next November.

A LEXINGTON party in writing  
to the Louisville Times suggests  
that after Boone Way is located  
into Louisville that it be routed on  
via Pulaskia, in Western part of  
State and thence up into Missouri  
following the foots of Boone  
and yet on to the North west coast  
of Washington State. Mt Ver-  
non is just now accomplishing the  
routing of Kentucky first through  
highway across the state and if  
our Lexington friends and Louis-

out, it will be a coast road. Well  
that's going some

By standing together Mt. Ver-

its promoters into fits in its efforts  
to secure that road thru our little  
old town. We are doing about

THE Editor, with Mr. Maret, is  
at Crab Orchard Springs today,  
attending a meeting of the Boone

which is to locate and route that  
highway from Harrodsburg to

Circuit Court Clerk T. J. Nicely has the addition to his residence about completed, which is a very decided improvement and adds greatly to his already attractive and well kept home.

## In Memory

One year ago to-day, the 13th, since Mr. Riddell, my dear husband past from life unto death. Though lost from sight to memory dear. SARAH J. RIDEWELL.

Mr. Stanley Payne, son of O. M. Payne of Disputanta, and a very fine young man and Miss Cynthia Wood, the attractive daughter of Mr. and Mrs. C. C. Wood, eloped to Jellico last week and were married.

There is some complaint because the light plant closes at one o'clock instead of running all night. Those who are making the complaint should bear in mind that the Mt. Vernon Power Co. is young and just as fast as the business justifies it, the company will meet such demands.

Miss Hiram McGuire of the Scaffold Cane section on last Saturday, gave birth to three well developed babies, two girls and one boy. The mother died Tuesday night but the babies are still alive and doing nicely. Mrs. McGuire was 35 years old and Mr. McGuire is 37. There was eleven hours between the birth of the first and the last.

Mr. E. J. Taylor, the man at the head of the big coal deal is again in Mt. Vernon. Dr. Wright and Dr. Sherman will arrive Sunday. While we have heard nothing of what they intend to do, yet we feel confident that there is something doing and before many days will be able to announce to the public the consummation of the biggest deal ever pulled off in Rockcastle.

In our last issue we stated that on Saturday before the school election held here was "one of the hottest fought little elections ever held in the town." From that article, some might infer that the candidates were the ones who were our making a running fight. In that connection we wish to add that Messrs. U. G. Baker and Robert Cox, the defeated candidates never left their stores and made no light for the place at all, and Mr. Gus Stauerson, one of the successful candidates, was a Juror and did not even know his name was on the ballot until the election was half over.

In Langdon Memorial Chapel, on last evening, was witnessed by a large and appreciative assembly, the recital of Miss Brown's music pupils. The manner in which each acquitted herself was evidence of a splendid year's work on the part of both pupils and teacher. From the duet of Julia Landrum and Edna Davis, the little tots with only one year's training to the difficult solo of Miss Elsie Rhea, there came a hearty applause and many words of commendation from all present.

R. L. Newcomb killed by train in Colorado.

JUDGE R. G. WILLIAMS SEES IMPROVEMENTS IN ROCKCASTLE.

I am proud of our people. They are all becoming live wires in the cause of improvements. The churches are thriving pikes a certainty, our schools growing while our farmers cultivate more land and do it much better than ever before. In fact I see a general awakening of every industry in Rockcastle. But the greatest change is in dear old Mt. Vernon. She is, cleaner, better and more progressive than I ever saw her. Our citizens are working together to advance her every interest and they are succeeding handsomely. I sincerely hope that the good work will go on until Mt. Vernon is the finest town in all of Eastern Kentucky. She can soon boast of the fact and I believe she will take pride in doing so. I expect to return to the fair and I shall come to attend the best. When I see the exhibition I shall not be disappointed.

RESOLUTIONS OF RESPECT.  
Brodhead Lodge, No. 566, F. & A. M.  
Brodhead, Ky.  
April 17, 1915.

We pause in our daily battle of life, with its many trials, tribulations, joys and sorrows, to drop a tear for and pay our respects to our departed brother, R. S. Martin, who gently passed over to the other side March, 1915. Brother Martin, was in his seventy-sixth year, and had been a member of this lodge since February 16, 1884, and was its oldest member. Therefore be it

Resolved, That in his death the mystic circle has lost a faithful, true and loyal brother, the community a kind neighbor, a genial friend, a loyal and upright citizen, his companion a true, faithful and loving husband, and his children a loving, kind and christian father.

Resolved, That we know none but those who have sat in the shadow of such a great bereavement can justly weigh such a sorrow as this; those who have stood by the side of a loved one, a hope after hope dropped away, as the petals fall from a fading flower, know that such anguish can no find solace in our tenderest words.

Resolved, That we extend to the bereaved family our deepest sym-

pathy and assure them of our continued interest in their welfare.

Resolved, That a copy of these resolutions be sent the Masonic Home Journal and Mt. Vernon Signal for publication, a copy sent to the family, and a copy spread upon the records of our lodge.

A. M. HIATT,  
J. R. CASS,  
JOHN ROBINS,  
Committee.

## OBITUARY

In loving remembrance of my dear grandfather, George Livesay Sr., who passed from this world to a better one, March 8, 1915. He had been very feeble for several years but seemed as well as usual until Friday night March 5th, when he was stricken with bronchial pneumonia which only lasted until Monday night, March 8th, when the spirit took its flight to the God who gave it.

We miss him, yes we miss him, the voice we loved is stilled, a chair is vacant by our fireside, which never can be filled, while we long to meet him, Angels gladly greet him, in that happy land where parting is no more. There never more to shed a tear his sweet voice we shall hear, when we meet to part no never, on that happy peaceful shore. As the dear ones by his bedside saw him close his loving eyes, know he had gone home to Jesus to that home beyond the skies. Weep not for the dear one that has gone, for he is resting in peace at home. Let's put our trust in Jesus, for happy is the best, and be prepared to meet him when He calls us all to rest.

He leaves a wife who used to be Miss Armina Testamin, five sons, J. T. and G. S. Livesay of near Level Green, W. D. and J. B. Livesay of Mt. Vernon, B. F. Livesay of Mareburg, and one daughter, Mrs. R. L. Bray of Wadd, to mourn the loss of a devoted husband and father.

## Club Women Work to Clean Up and Paint Up Five Thousand Cities

CIVIC LEADERS PUT BAN ON PINK TEAS.

"Clean Yards, a Few Shrubs and Flowers, and a Little Paint, for a Better Hometown"—Mrs. Clarence Baxter.

THAT the club women of America are not waiting for full suffrage before taking an active part in civic betterment work is proven by the earnest efforts of thousands of women in local "Clean Up and Paint Up" campaigns in practically every state in the Union. The men are too busy, or too chesty, to do these things, to see the need of or to do simple beautification and sanitation work. And yet that work is vital to the health of thousands and to the progress of the community in better living conditions to keep pace with increasing population.

"There was a time," she continued, "when pink teas and gossip characterized our local club meetings. But that time is past. There are a million things for the betterment of the town that we are clean up, and we are trying to do them as fast as we can get to them. The 'Clean Up and Paint Up' campaign, in which we are working shoulder to shoulder with the men, embodies a big batch of improvements we have at our disposal. This campaign seems to be a fortunate combination of ideals. 'Clean Up' and 'Paint Up.' It gives us work to do now, with a definite program to start things off, and with absolutely no end of possibilities in permanent constructive effort. And the best of it is that this campaign simply forces the men to work with us. A successful campaign means an increased demand for many kinds of merchandise, means conservation of property, means increased realty values—it means a better business town and a better home town. Why shouldn't the men end a hand?"

And this woman is not alone in her enthusiasm. Mrs. Clarence Baxter, chairman of the Women's Committee of the National "Clean Up and Paint Up" Campaign Bureau, St. Louis, has seen her home town, Kirksville, Mo., transformed from the city hall corporation limits entirely through the earnest work of a group of women. As chairman of the civic and health department of the Missouri Federation of Women's Clubs, she has been chairman of the civic department of the general Federation of Women's Clubs. Mrs. Baxter is inspiring and advising thousands of club women in similar work. She will be glad to write to and advise others.

Mrs. George Zimmerman, of Fremont, O., chairman of the civic department of the General Federation of Women's Clubs, heartily endorses the national "Clean Up and Paint Up" movement, and is a member of the advisory committee of the National Bureau.

The civic departments of several state federations of women's clubs have already started their own "Clean Up and Paint Up" campaigns. One man who always was harping on the old saw, "Woman's place is in the home," has not been heard from since a year ago when his wife led in a "Clean Up and Paint Up" campaign which practically regenerated the town. The good woman repaired and painted a piece of vacant property belonging to her husband, property that had been a drain on his purse for ten years. She had to fix the place up, she said, because she was preaching "Clean Up, Paint Up, Repair" to others, and she believed in practicing what she preached. After criticizing his wife for her public activity, and especially for spending real money on "that old shack," the husband was sorely chagrined one day to receive an offer of \$600 more for the property than his former valuation. He made the sale, and shut up. This year he is the heaviest contributor to that local "Clean Up and Paint Up" campaign fund.

## Former "Ice King" Talks

John Rohrman Praises Remarkable Work of Medicine Tanlac

Louisville, May 14 15

Almost everybody in Louisville is personally acquainted with or have heard of John Rohrman. The "Ice King" of Louisville, as he was formerly called by those who have known and respected him for his honesty and integrity for a score or more years, has been a sufferer from stomach complaints and a general debilitated condition for a considerable length of time.

Like lots of other folks, Mr. Rohrman was a little skeptical regarding the merits of the new preparation, Tanlac, as he had tried numerous medicines in the past without obtaining the right results. However, the publication of testimonials from Louisville people he knew who had been actually benefited by Tanlac, convinced him that a test of the preparation was worth the attempt.

Mr. Rohrman had suffered much annoyance from indigestion, especially. He got Tanlac and began using it. A few afternoons ago he was prepared to make his statement in the presence of witnesses:

"Less than two weeks ago I obtained this Tanlac. The medicine was just what I needed. It went straight to the spot. I strengthened right up. My appetite is improved as well as my sleep. If I had paid a thousand dollars for the medicine, it would have been worth that to me. The anticipation of taking the next dose of Tanlac is a real pleasure."

Tanlac, the remarkable medicine referred to by Mr. Rohrman, is now distributed in Louisville by the personal direction of L. I. Cooper, and in Mt. Vernon by Chas. C. Davis and also in Livingston at the Central Drug Co's store or at John Robins' drug store, in Brodhead, Ky., where the famous medicine can now be bought.

### OTTAWA

It has been some time since I saw a letter from this grand old place of Ottawa, and I thought I would drop in a few lines to let the people know that it is not wiped off of the map. — Farmers are busy planting corn and potatoes. — We are having a good Sunday School at Union Ridge. We have large crowds every Sunday an the average of 75 pupils in roll each Sunday. — The writer had the pleasure of spending Thursday in Mt. Vernon. J. S. Castor, our bustling merchant is doing a splendid business. — The writer has been on the sick list for a few days but, is better. — W. P. Hayes, our hustling old Ky. Fertilizer agent is kept busy handing out Fertilizer to the boys. — Regular services will be held at Union Ridge church the first Saturday and Sunday in each month. — Bro. James Cummins, our pastor, is a splendid preacher. — We had a good rain Sunday which was badly needed in this part of the country. — Arch Albright is visiting his sister, at Wilburn, in Polaski county, also his niece at Eubanks. — Wedding bells are going to ring in this part before long. I think, and I am hard to fool on a thing like that. Look out Felix — J. A. Laswell & Son, are doing a big business with their saw and grist mill. — Mrs. George Taylor has been on the sick list but is improving. — Sam Sayers, Tilden Thompson, O. F. Hamm and Wade Hamm of the Spiro section, were in this section Sunday. — Tony Laswell is on the sick list. — Barto Dillingham and wife, Mareburg's merchants were visiting relatives and friends in this part Sunday. — Mr. and Mrs. R. H. Hamm and A. E. Albright came up from Brodhead to attend the funeral of Uncle Dick Johnson Sunday afternoon. — On last Saturday morning at 4:30 o'clock a. m. the death angel visited the home of Uncle Dick Johnson and claimed for its victim Uncle Dick. Uncle Dick was married to a Miss Farris several years back and to their union was born 5 children and four of them are still living. Mr. J. H. Johnson got killed in a railroad accident in Louisville a year or so ago and Mr. Charley Johnson of Lexington, and Mrs. James Wallin of the same place and Isaac and Mrs. Logan Cash of this place are left to mourn the loss of a devoted father, besides a host of friends. Uncle Dick served in the Civil War. He was 75 years of age and was a member of the Baptist church at Union Ridge. He was always on hands on church days and always filled his place in Sunday school. He was a good man and well thought of by every body that knew him. He is done with the trials and troubles of this world and is gone to where there is no more sad good byes and fare wells said. He was laid to rest Sunday afternoon at 4 o'clock in the family burying ground, after short services by Rev. Jas. Cummins. Another link is broken in our household band, but a chain is forming in a better land.
